

ARTICULATION and ADMISSION AGREEMENT

By and between
The Northeast Ohio Medical University (NEOMED) College of Pharmacy
And
Bethany College

THIS AGREEMENT (the “Agreement”) is entered into on this 1st day of September 2022 (the “Effective Date”) by and between The Northeast Ohio Medical University (“NEOMED”) College of Pharmacy, with an address of 4209 State Route 44, Rootstown, Ohio 44272-0095, and Bethany College with an address at 31 S Loop Campus Drive, Bethany, WV 26032. NEOMED is an institution of higher education, established pursuant to Section 3354 of the Ohio Revised Code, and Bethany College is a regionally accredited non-profit institution of higher education. NEOMED and Bethany College desire to enter into a formal agreement pursuant to which students of NEOMED who formerly attended Bethany College would be eligible for the following benefits according to the terms contained in this Agreement.

ACCORDINGLY, in consideration of the provisions and mutual covenants contained in this Agreement, and of other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Description of Admission and Articulation Program.

- a. Definitions: Admission and Articulation Criteria and Benefits are defined in Attachment A.
- b. Articulation Benefits to Students: Both NEOMED and Bethany College will provide these Admission and Articulation Benefits at no charge to past and present students who meet the Articulation Criteria for the duration of this Agreement.

Accreditation. The Northeast Ohio Medical University College of Pharmacy is part of Northeast Ohio Medical University. NEOMED is accredited through the North Central Association.

The College of Pharmacy and the Pharm.D. degree program offered by NEOMED is accredited by the Accreditation Council for Pharmacy Education, 135 S. LaSalle Street, Suite 4100, Chicago, IL 60603. The College of Pharmacy warrants that in 2017 it was awarded Full Accreditation status by the Accreditation Council for Pharmacy Education, 135 S. LaSalle Street, Suite 4100, Chicago, IL 60603. The College of Pharmacy will notify Bethany College within 90 days of formal notification of loss of accreditation if such accreditation ceases to exist.

- c. Accreditation of Bethany College. Bethany College warrants that it is accredited by the Higher Learning Commission, 230 South LaSalle Street, Suite 7-500, Chicago, IL 60604. Bethany College will notify NEOMED within 90 days of formal notification of loss of accreditation if such accreditation ceases to exist.
- d. Non-Exclusivity. This Agreement is not exclusive, and either party may enter into similar agreements with any other party,

2. Term and Termination

- a. Term. This Agreement is not evergreen and does not automatically renew. The terms as outlined in Agreement A should be reviewed annually for accuracy and applicability to current students.

This review process should occur in a consultative manner between faculty and administrative staff at both Bethany College and NEOMED at the traditional start of the academic year for accuracy to reflect any potential changes related to curriculum and policies. This current agreement will run from the Effective Date until Date at which time this Agreement will automatically expire.

- a. Termination. Either party may terminate this Agreement without cause. Termination shall occur at the end of the academic year following formal notice of termination as specified in Section 3d.
- b. Post-Termination. Upon expiration or termination of this Agreement for any reason, Bethany College students previously matriculating to the NEOMED College of Pharmacy shall continue to receive the benefits contemplated by this agreement.
- c. Renewal. This agreement can be renewed, with appropriate modifications, provided both parties agree to such renewal prior to of following the date of expiration listed in Section 2a.

3. *Miscellaneous.*

- a. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of Ohio applicable to contracts made and to be enforced wholly within Ohio.
- b. Jurisdiction. The parties to this Agreement each specifically consent to jurisdiction in Ohio in connection with any dispute between the parties arising out of this Agreement of pertaining to the subject matter hereof.
- c. Survival. Sections 2(c) and this Section 3 will survive termination or expiration of this Agreement.
- d. Notices. All notices or other written communication required or permitted under this agreement will be effective when received in accordance with this sentence and must be given in writing by courier or reputable overnight delivery services, or by certified mail, return receipt requested to either party at its address first set forth above (or to such other address as such party may substitute by providing a written notice in the manner specified in this Section).

I – Pre-NEOMED Matriculation Benefits

- 1. Early Assurance to the NEOMED College of Pharmacy Pharm.D. program**
 - a. In order to fully utilize the benefits described below in this Section I, candidates for admission to Bethany College and students already attending Bethany College are strongly encouraged to apply for early assurance to the NEOMED College of Pharmacy Pharm.D. program at least one academic year prior to intended application to the Pharm.D. program. Only students who have been granted Early Assurance to the NEOMED College of Pharmacy Pharm.D. program will have a P1 seat held for them for the year they wish to begin study. Any students that do not choose to utilize Early Assurance are eligible for admission as a P1 on a space-available basis for the year of student they wish to matriculate.
 - b. “Early Assurance” is a pre-admission program coordinated through the American Association of Colleges of Pharmacy (“AACP”). NEOMED is a participating AACP member that offers pre-applicant candidates the benefit of securing a future Pharm.D. seat in advance. Candidates for early assurance are to apply using the Pharmacy Direct Entry Application Service (PharmDirect), a centralized application service designed for high school applicants and/or early assurance candidates. For complete information refer to the NEOMED Compass (catalog and student handbook) available at www.neomed.edu.

- 2. NEOMED College of Pharmacy Pipeline Programs and Pre-Matriculation Advising**
 - a. In order to fully utilize the benefits described below in this Section I, candidates for admission to Bethany College and students already attending Bethany College are strongly encouraged to participate as frequently as possible in pipeline programs offered through the NEOMED College of Pharmacy Pharm.D. program at least one academic year prior to intended application to the Pharm.D. program.
 - b. NEOMED and Bethany College will collaborate to offer an appropriate number and array of pre-admission and pharmacy career counseling opportunities for prospective and current students of Bethany College. Programming composition and frequency shall be collaboratively designed and executed by the admission and college staff on NEOMED and the designated point of contact at Bethany College. At least two opportunities for in-class presentations should be offered each calendar year at mutually agreeable dates and times. Bethany College agrees to assist in disseminating NEOMED information to prospective and currently enrolled students through such channels as the institutional web domain and academic advising updates to students.

- 3. Pre-Professional Pre-Requisites and Application for Admission Requirements**
 - a. All Bethany College students participating in this Agreement are subject to binding admission decisions rendered by the duly appointed NEOMED College of Pharmacy faculty

admissions committee. Participation either in whole or in part with the benefits presented in this Agreement shall not constitute an offer of admission to NEOMED. All candidates must apply via the Pharmacy College Application Service (“PharmCAS”) centralized application service and meet all deadlines and requirements as specified by PharmCAS and NEOMED. NEOMED may not entertain application from candidates who do not present a verified PharmCAS application to the NEOMED College of Pharmacy faculty admissions committee. In all cases, final admission authority rests with the NEOMED College of Pharmacy faculty admissions committee and the Dean of the NEOMED College of Pharmacy. For complete information refer to the NEOMED Compass (catalog and student handbook) available at www.neomed.edu. All decisions are a result of a holistic admission process which may use criteria such as evidence of academic preparation for the rigors of a Pharm.D. program and evidence of professionalism indicative potential to serve in a professionally licensed health care field. All candidates are subject to a criminal background check.

- a. Pursuant to Agreement item 2.a., NEOMED and Bethany College agree to maintain an up-to-date course mapping inventory lexicon. This lexicon will denote the appropriate course(s) from Bethany College that will fulfil the pre-professional requirement for matriculation to NEOMED. In some cases this curricular mapping will vary by the degree and major program offered at Bethany College.
- b. Admission to the NEOMED College of Pharmacy does not require that candidates possess a completed baccalaureate degree, but rather successful completion of prescribed pre-professional prerequisite coursework (see Appendix 1 – Degree Pathway). Prescribed pre-professional prerequisite coursework may be in the process of completion at the time of admission to NEOMED, but all offers of admission are contingent upon successful completion of pre-professional prerequisite coursework. The minimum satisfactory grade to fulfil a pre-professional prerequisite course is a “C minus” or the equivalent in a “Pass/Fail” or “Credit/No Credit” grading option. Individual reviews of pre-professional prerequisite courses may occur in the context of a completed degree program in a science-based course of study. The Dean’s designee from the NEOMED College of Pharmacy will have the sole decision authority regarding pre- professional prerequisite requirements.

4. Pre-Professional Pre-Requisites Pathways for Students attending Bethany College

Note: Completion of pre-professional prerequisite courses may be fulfilled via completion of the designated course through Bethany College or recognized by Bethany College as fulfilling that requirement via transfer course equivalency or other formally recognized credit awarding option.

- a. Designated degree program in a science-related major field of study (coursework in progress - degree not yet awarded) (see Appendix 1 – Degree Pathway, Table 1 for additional details)

4. Specific Requirements for the Awarding of the **Bachelor of Science in Chemistry, Biochemistry Concentration** at Bethany College.
- The posting the degree is not automatic. At such time as the candidate expects to successfully complete all of the outline above in II.1.b., the candidate must (1) complete the Application for Undergraduate Reenrollment at Bethany College, (2) request official transcript to be sent from NEOMED to Bethany College, and (3) once reenrolled, apply for graduation from Bethany College following all policies, procedures and adhering to all deadlines for the next available term of graduation. Degrees are never retroactively awarded.
 - All candidates are subject to any and all applicable "catalog in effect" policies at Bethany College. Degree requirements must be completed in a timely manner at NEOMED and the candidate must apply for graduation at Bethany College prior to any changes in degree requirements. Once degree requirements change in the Bethany College undergraduate catalogue this Agreement may become null. The responsibility to apply for graduate in a timely manner rests solely with the candidate for articulation.
 - Pursuant to items II. 2. a. and II. 2. b., candidates for graduation are strongly advised to not delay application for graduation at Bethany College until the time of Pharm.D. at NEOMED. Rather, candidates should apply for graduation at Bethany College at the

successful completion of the P2 year of study in the Pharm.D. program of study at NEOMED. (see Appendix 2 – Transfer Credit Form) (see Appendix 3 – Partnership Process)
